

Summer 2020 Wedding Menu options

Our suppliers

Being based in the heart of Devon on Dartmoor National Park we are lucky enough to have an abundance of great quality local raw ingredients. We work closely with several local suppliers to source the best products to create wonderful dishes for you to enjoy.

All of our meat is sourced from our trusted local butcher Palmers of Tavistock. They in turn work with local farms across Devon and Cornwall to offer us consistently great quality and trusted origin meats. Beef comes from Milton Abbot just a few miles from Tavistock, pork from Trewithan in Cornwall and lamb all from local farms surrounding us in Tavistock.

We are very lucky to have Country Cheeses based in Tavistock who have a vast selection of West-Country cheeses to choose from, whether that be for a cheese tower or as ingredients in a special dish.

Our fruit and vegetables are sourced through our local green grocer who work with local farms within Devon and Cornwall to provide fresh, quality seasonal produce.

All our fish is landed into Plymouth harbour daily and supplied by S&J Fisheries daily to us so we can guarantee its origin, sustainability and quality.
